Capris Coffee Table

Coffee Table

Dimensions: 48.00"W X 26.00"D X 18.00"H

Finish: Alabaster Travertine

More with this Finish

- Constructed of a Travertine stone top with metal posts and framework
- Travertine is a natural, porous material with unique characteristics that affect the appearance and polishing qualities making no two pieces the same
- The porous nature of the travertine means it has tiny holes and voids which have been filled and sealed during the polishing process
- Travertine has distinctive patterns caused from the movement of the minerals during its formation which gives the table top its natural beauty
- The travertine top is not a solid slab but is composed of a marine plywood core with thin pieces of stone laminated to the core like tile
- Fixed bottom shelf made of tubular metal slats
