Southampton Rocker

The Southampton collection is an updated version of classic, open-weave wicker furniture. All pieces are hand woven using extra large fiber, making them heavier and more substantial than typical outdoor wicker pieces. The fiber's variegated tones create a highly natural appearance that pairs well with our assortment of teak table. The rocker features teak rocker rails with a gray wash finish. When exposed to the elements, the gray finish on the legs will wear away. Once the finish has worn off, exposing unfinished teak to the elements, the wood will begin to acquire the gray patina that is typical of untreated teak.
