Culebra Coffee Table

The design of our Culebra collection recalls the windswept beauty of the Spanish Caribbean, with flowing lines and our textured charcoal wicker that simulates vintage, weathered furniture. The coffee table is hand woven around a rustproof aluminum frame for exceptional quality and lasting enjoyment. A piece of clear tempered glass that covers the table top is sold separately.

NOTE: In intense heat, woven tabletops under glass may become more elastic but will return to their original form once temperatures cool.
