Milano Bar Chair

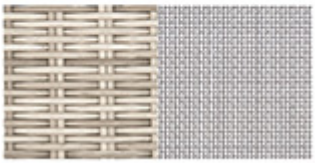

Milano reinvents classic wicker styling with a modern upholstered seating surface, eliminating the need for a cushion. Seats are gently padded with reticulated (flow through) foam that drains quickly when wet. Upholstered surfaces are crafted from Batyline™, a 100% vinyl-coated polyester textile that is durable, fade resistant and easy to care for. Solid teak legs are finished with a gray wash. When exposed to the elements, the gray finish on the legs will wear away. Once the finish has worn off, exposing unfinished teak to the elements, the wood will begin to acquire the gray patina that is typical of untreated teak.

Note: The Milano collection is intended solely for outdoor use.
