Nantucket Chaise

Our classic poolside Nantucket chaise adjusts to four positions, including horizontal. The solid teak wheels allow for movement of the chaise with minimum effort. Roll over the picture to the right and see it with the Classic 21" end table and custom fitted cushions in Sunbrella® fabric. This chaise is unsurpassed for comfort.

The Nantucket tray (sold separately) is an optional piece, easily attached underneath and can be used with chaises purchased previously. It will slide smoothly to the left or right side of the chaise for individual comfort. The optional chaise arms (sold separately) attach easily to the side frames using solid brass hardware.
