Sag Harbor Bar Chair

Our Sag Harbor bar chair blends organic aesthetics by merging solid teak legs with a very natural looking, all-weather wicker seat. The result is a chair that is made to endure the rigors of the outdoors yet sophisticated enough in style to be used indoors. A recommended cushion with a non-skid bottom panel is sold separately. The Sag Harbor bar chair coordinates beautifully with our party bar or with any of our teak bar tables. Ships fully assembled, two per carton.
