Sag Harbor Round Dining Table

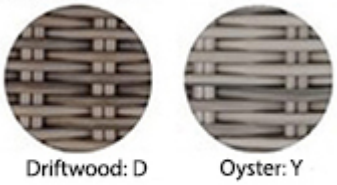

The Sag Harbor round dining table is hand-woven in a premium, extra-large fiber making it heavier and more substantial than standard outdoor wicker furniture. The dining table has a pedestal-base and is available in 52” or 60” round sizes. Table comes with clear, tempered glass top. The 52" table accomodates a 1.5" diameter pole and the 60" table accommodates a 2” diameter pole. Requires some assembly.

NOTE: in intense heat, woven tabletops under glass may become more elastic but will return to their original form once temperatures cool.
