Westport Round Dining Table

DESIGNED John Caldwell

With beautiful contours, the Westport round dining table is equally suited for relaxed lounging or formal outdoor entertaining. The piece is made from our premium all-weather wicker and a durable, rustproof aluminum frame. Attractive solid teak bases accent the bottom of the table legs. The dining table is available in either a 50” or 60” round size, and a clear tempered glass top is included in the price. The 50" table seats four and the 60" table seats six. Westport dining tables do not accept umbrellas. Some assembly is required.

NOTE: In intense heat, woven tabletops under glass may become more elastic but will return to their original form once temperatures cool.
