Westport Sectional Armless Chair

DESIGNED John Caldwell

The Westport sectional is elegant in its simplicity and versatility. A limitless range of seating configurations can be made using varying combinations of the armless chair and corner/side units. A large ottoman and square coffee table complete the collection. Recessed teak plinths give the unit a floating appearance, and the piece is hand-woven with the finest all-weather wicker around a powder coated aluminum frame, ensuring years of enjoyment. Stainless steel clips are provided to secure seating units together.
