DESIGNED John Caldwell

The Westport sectional is elegant in its simplicity and versatility. A limitless range of seating configurations can be made using the ottoman with varying combinations of the armless chair and corner/side units. A square coffee table completes the collection.

Recessed teak plinths give the unit a floating appearance, and the piece is hand-woven with the finest all-weather wicker around a powder coated aluminum frame, ensuring years of enjoyment. Stainless steel clips are provided to secure seating units together.
